I just saw a message that AWHONN was holding both an in-person and live virtual event. What has changed?

After two years of offering the AWHONN community virtual Conventions, we realized that providing some type of online learning during this year's Convention was something many attendees were looking for. When will the live stream/on-demand education take place?

This registration option will take place over the in-person Convention dates, June 25-29, 2022. You can find [the full list of sessions](#) that will be delivered via live stream/on-demand here.
